Ron Marovich, MTM Florida Program Manager

### **MTM Wins Mobility Management Contract in Florida**

**LAKE SAINT LOUIS, MO,** – Medical Transportation Management, Inc. (MTM) today announced that the Florida Transportation Disadvantaged (TD) Commission has designated MTM the Community Transportation Coordinator (CTC) for Martin County. Following a competitive bid process, MTM was selected for its experience with government clients, quality assurance programs and cost savings for other clients. The contract term is one year with two additional two-year renewal options.

President and CEO, Alaina Maciá said, *“Mobility management is an innovative approach to managing and delivering coordinated transportation services to clients, including older adults, people with disabilities, and individuals with lower incomes. MTM is excited to serve as the Community Transportation Coordinator*

*in Martin County. We have a dynamic Program Manager in Ron Marovich. He is busy gearing things up for the January 1, 2009 start date. Ron is a team player with a tenacious dedication to quality performance and getting the job done.”*

Marovich, formerly with MV Transportation said, *“I’m looking forward to working with Martin County, its ridership, and service providers to make the transportation service the very best in the State of Florida.”*

MTM provides industry-leading programs in non-emergency transportation management for more than 1.6 million people annually. The company removes transportation barriers in 17 states and the District of Columbia via 25 contracts with state and county governments, Medicaid and Medicare managed care organizations (MCO), and health care providers. Founded in 1995, the company is a privately held woman-owned business enterprise.
