Subject: Giving a ride to a child without an adult escort

Your child/children can get rides to their Medicaid related healthcare visits if they don't have any other way to get there. This is part of their Medicaid coverage. When they need a ride, call us. We are Medical Transportation Management, Inc. (MTM).

If your child needs to ride without a parent or guardian present, you must fill out the Parental Consent Form. The form came with this letter. The form allows us to give rides to your child/children without an adult riding along.

You, the parent or guardian of the child, must fill out, sign, and send us the Parental Consent Form before we can set up rides for your child/children to ride alone. Once you have filled out the form and signed it, you can send it to us by mail or fax.

Parental Consent Form

Child's First Name: _____

Child's Last Name: _____

Child's Medicaid Number: _____

My name is _____. I am the parent, guardian or legal custodian of _____, who is under 18 years old.

I give MTM permission to set up rides for, and provide rides to my son/daughter/minor dependent whose name I have written in this form. I understand these rides will carry my son/daughter/minor dependent to and from their Medicaid related healthcare visits. I further understand MTM may set up and provide these rides when I am not able to ride along and no other adult is able to make the trip.

This Parental Consent Form goes into effect when I sign it. I understand it will stay in effect until I write to MTM and ask that this agreement is canceled or until someone else with authority writes and asks that the agreement is canceled.
